## St. John's Union Cometery Records R. D. 1 Palmerton, Penna.

This drawing of the cemetery is placed here for the convenience of any of you who are using the Cemetery Records. This paper may be taken with you however the Cemetery Record is not to be removed from the church. I would suggest that you mark grave locations on your paper while using the record and then use the paper for finding graves on the cemetery. If you have difficulty perhaps you can find your trouble by following the example in the back of the Cemetery Record.

Any number 34 or higher will be found only on that page in the back of the Cemetery Record.
